Dear Friends at Green Mountain Region Porsche Club of America,

You are amazing. Thank you so much for helping to provide meals for neighbors facing hunger by becoming a fundraiser for the Vermont Foodbank, especially during these challenging times.

By sharing your compassion and dedication to ending hunger, you inspire others to act and you've taken action that ripples out across our Vermont community. Your virtual food drive, completed on December 31, raised \$6,005, putting 10,028 more meals in the hands of kids, seniors, and families who don't have enough to eat on a regular basis.

A program participant who has been cooking recipes using fruits and vegetables grown in Vermont shared with us recently, **“My family appreciates you for the service you provide. I can never explain in words how much you have helped our little family.”**

I know that this year continues to be challenging for all of us. And yet, no matter what you may be going through, you've been stepping up to care for your neighbors. That's inspiring. Thank you for being part of a community of people who are committed to making sure everyone in Vermont has the nourishment they need—and that no one goes hungry.

**In a time of great need, you're making a difference for so many people.**

With much gratitude,

John Sayles, Vermont Foodbank CEO
